

## **REMARKS**

### ***Summary of Amendments***

In the specification for the present application, which is the National Stage of International App. No. PCT/JP2004/016077, two paragraphs have been amended for editorial and technical clarity, and the WIPO-produced abstract has been replaced. No new matter has been added.

In addition, claims 3-7, 9-10 and 12 have been amended to eliminate the multiple dependency of these claims, and accordingly claims 13-16, which exactly correspond to claims 3-6 except that they depend from claim 2, have been newly added.

Favorable action by the Examiner at an early date is solicited.

Respectfully submitted,

April 28, 2006

/James Judge/
